

Korea-EU Digital Partnership & HE Researcher's Networking Forum

(Quantum Science and Technology)

As opportunities for Korean institutions to participate in the Quantum Science and Technology field under Horizon Europe's 2025 Work Program expand, **Networking Forum (Quantum Science and Technology)** has been organized to help foster collaboration between Korean and EU researchers.

- Date** April 9–10, 2025 (2 days)
*April 11 : Optional On-site Visit for Korean Researchers (TU Delft, concluding by 5 PM)
- Location** Brussels, Belgium(Thon Hotel Bristol Stephanie, Av. Louise 91/93, 1050 Bruxelles)
- Target** Researchers interested in Horizon Europe Quantum Science and Technology projects
- Organizers** MSIT, EU DG CNECT, NRF, KE-QSTCC, K-QICO, KERC
* Supported by Digital Partnerships in Action(DPA)
- Support** Free participation, accommodation support, Horizon Europe consulting (based on demand after researcher selection)
- Process** Round 1 (by Feb 26) : 20 Korean Researchers + 20 EU Researchers(40 participants in total, recruited simultaneously from Korea and EU),
Round 2 (by Early March) : Additional rounds based on results of the round 1
* Selection process : If the number of applicants exceeds the limit, internal and external experts will review applications for selection.
- Due Date** 00@000 by Wednesday 26th February, Application form(attachment 1)

Date	Contents	Remarks
Day 1 (04.09)	Policy Session	
	Forum Session	
Day 2 (04.10)	Networking & Consulting Session	
Day 3 (04.11)	On-Site Visit (Korean Researchers)	TU Delft

● Day 1 - Policy & Forum Session

Time	Contents			Remarks
09:30~10:00 ('30)	Participant Registration			
10:00~10:20 ('20)	Welcome address ('10)			KE-QSTCC
	Opening Remarks (Embassy of the ROK to Belgium, '5)			Government official
	Opening Remarks (EU DG CNECT, '5)			
10:20~11:00 ('40)	The Current Status of Korea's Quantum S&T Policy (Presentation and Q&A '20)			TBC
	The Current Status of Europe's Quantum S&T Policy (Presentation and Q&A '20)			EU DG CNECT
11:00~11:50 ('50)	Introduction to Horizon Europe			TBC
	Introduction to Korea's International Cooperation Programs			K-QICO
11:50~13:20 ('90)	Networking Lunch			
13:20~18:40 (5h20)	Forum (Speakers : 20-30 Korean, 20-30 EU Researchers) * Coffee Break (15:20~15:30)			15 min. Presentations per Researcher
	Quantum Computing & Simulation (Room A)	Quantum Communication (Room B)	Quantum Sensing & Metrology	
18:40~20:00 ('80)	Networking Dinner			

● Day 2 - Networking & Consulting Session

Time	Contents			Remarks
09:00~10:30 ('90)	Matchmaking (1:1 Meetings) * Based on Pre-matched Preferences			
10:30~12:30 ('120)	Matchmaking (1:1) * Meetings between Newly Identified Partners during the Event	Horizon Europe Application Consulting * Proposal Writing	Horizon Europe Application Consulting * Administrative Procedures	
12:30~14:00 ('90)	Networking Lunch
