National Contact Points

- [National Contact Points](#) are support structures established by Member States (MS), Associated Countries (AC) and many third countries, recognized by the European Commission (EC) to help participants to access the different EU Programme opportunities through advice, practical information, and assistance in all aspects. For Horizon Europe, there are 17 NCP different functions plus the NCP national coordinators network.

The screenshot displays the 'EU Funding & Tenders Portal' with a navigation menu including Home, Funding, Procurement, Projects & results, News & events, Work as an expert, and Guidance & documents. The current page is titled 'National Contact Points for Horizon Europe'. It features a search bar, a breadcrumb trail, and a main heading. Below the heading, there is an introductory paragraph and a 'Filters' section with a dropdown menu for 'Country' and a 'Contact NCP' button. A list of NCPs is shown, including 'Woohyun Cho' from South Korea. A sidebar on the right lists 'NCP Services' and 'What is the NCP network?'. The footer includes the Euraxess logo and the European Commission logo.
